

Event Announcement – 12th Annual NH Tunnel Meet!

Date and Time: Saturday, January 25th, 2020 for the 4way FS event. The meet will begin at 8:30am and finish at roughly 7pm. Awards ceremony and party with live music will be poolside at the Oasis Cafe www.oasiscafenh.com right after round 10. Lite appetizers will be served on the house, and The Oasis Cafe will have beer, wine and cocktails for purchase. You can pre buy beer tickets the day of the comp.

Cost: \$100/person for the competitors first ten round FS meet regardless of competition class, \$70 for each additional FS event. Registration cover two warm-up flights (1 minute each), the competition rounds, judging, full team pages and both individual per round edited video and all 10 rounds of your meet jumps available for download from skyleague.com, a meet shirt if you register early enough, water, and pizza lunch.

Registration Information: First come first serve - limit of 48 total teams. Register by Sunday, December 23 to receive a free shirt. We filled up two years ago so register early - registration will likely fill prior to the deadline. Email nhtunnelmeet"at"gmail"dot"com with: team name, team members, each person's shirt size (standard men' cut or women's cut), your competition class, and every team member's email address.

Don't ask me to save a spot for your incomplete team... just email me with all the requested information at once – I won't register a team without it.

If you are registering for multiple teams, include your shirt size for with the first team you register for. For any subsequent teams, list "no shirt" and the class and team name of your "first team" in lieu of listing your shirt size again. This is critical for our accounting, and so that I can

space out your teams. If you list your shirt size for your subsequent teams, you'll owe an extra \$30

Payment and Waivers: All payments and Waivers will be completed online through this link AFTER you get your response from me that your team is registered: https://app.locbox.com/en-US/promotions/103592-nh-tunnel-meet-2020-fs-online-payment-skyventure-nh-surf-s-up?channel=external_web Please note, the link to book the hotel through will bring you to a page that won't yet let you book any date past Dec. 31, 2019. We are aware of this, communicated the issue to the Raddison, and this will be resolved in the near future.

Friday Evening 1/24 Practice Time: There have been issues in the past with practice time for the Friday before the meet (people doing some shady shit with membership time, hoarding, and reselling for profit). So, Friday evening time will be available for purchase at a discounted rate of just \$165 per 15 minutes of flight time (\$11/min) for everyone. Huge thanks to Laurie and Rob for this outstanding rate! Instead of booking blocks and finding people to share it with.

Friday evening time is blocked off for 4way training. Teams can call the tunnel directly to book 15 minutes of a half hour block, which will be reserved on a first come first serve basis. You don't have to worry about finding someone to share the block with, the tunnel staff will take care of that. Each team is limited to purchasing no more than two 15 minute flight blocks for Friday between 4pm and close. Hit the cafe afterwards, live music will be playing and the bar will be open.

Event Coach: Eliana Rodriguez will be returning this year as an “event coach” to provide FREE coaching for all teams on the day of the meet. She is a World Champion formation skydiver in 4-way Women's FS, 4-way Open FS, and 8-way Open FS, she's got over 20 USPA gold medals, was on Arizona Airspeed for 10 years, and has been jumping for over 20 years.

Private Team Coaching on Thursday 1/23 and Friday 1/24: Eliana is available to coach team private on the Thursday and Friday prior to the meet with the format of 45 minutes of prep, coaching as the team flies 15 minutes of a thirty minute block (flying 10 one and a half minute flights), and 45 minutes of debrief. The cost for this two-hour coaching session, which includes the 15 minutes of flight time is just \$90 per person (\$360/team). Teams can book specific coaching sessions through this payment portal: <https://app.locbox.com/en-US/promotions/107755-fs-private-team-coaching-with-us-and-world->

champion-eliana-rodriguez-skyventure-nh-surf-s-up. Select a specific day/time from the drop down menu. Book it quick if you are interested, these will go fast at this discounted rate - first come first serve!

Player/Coaches: There are a few top notch open class/professional folks coming who are available to be hired as player coaches. Contact me if if you are interested in more information.

Flying on Multiple Teams: Please see the rules. I will do my best to create space between competition flight groups for folks competing in multiple divisions, but cannot promise that you will have more than one flight group between your teams.

Format: Same as last year, 10-round meet for Intermediate, Advanced, and Open meet starting at 8:30am.

Meet Video: The registration cost now includes full team pages and edited videos of each round (and the combined ten rounds) courtesy of the National Skydiving League.

Meet Director: Ben Liston and **Chief Judge:** Jim Rees (multiple national and FAI judges will be on site this year to fill out the panel).
